

Warsaw, 7th July 2015

**REFERENCE LETTER**

In June 2015, BGŻ BNP Paribas had the opportunity to work with EXPO XXI Warszawa during the Gala located in Hall No. 4. This Gala was attended by 800 people, including representatives of the Board and senior management of the company.

Looking for a place for the organization of a large, prestigious event we considered primarily venues located in the center of Warsaw, which ensures our guests a convenient connection to the airport and the train station, the capacity of the venue, which would allow setting a fine scenery, and advanced technical solutions required for sound and lighting. EXPO XXI Warszawa, as one of the few professional venues in the capital, fulfill our expectations. The additional factor that convinced us to cooperation was a professional attitude and support shown on both - the planning stage and during the implementation of the event.

For the purpose of Gala organized by BGŻ BNP Paribas Hall No. 4 with an area of over 3,500 square meters turned into elegant and comfortable interior, in which numerous attractions waited for the guests. We are grateful to the experts from EXPO XXI Warszawa, for their advice and help with all the formalities, as well as the technical team, which served its support during the preparation of the event. The venue is professionally prepared to organize large events requiring the use of specialized equipment. Advanced technical solutions enable the realization of most complex and spectacular arrangements, which we had the opportunity to personally verify. Thanks to the successful cooperation the evening had a unique atmosphere and will long remain in the memory of our guests.

Hereby I would like to thank the whole team of EXPO XXI Warszawa for professional assistance, which no doubt contributed to the success of the Gala. On behalf of BGŻ BNP Paribas I appreciate the venue as a trustworthy and reliable partner, having many years of experience in the organization of special events, which I have no hesitation in recommending to cooperate. My opinion is shared by both - companies who worked in the organization of the event, as well as guests of the meeting.

Best regards,
